Dear Carter:

Re: Estate of Allen W. Dulles, Deceased

No problem with Mr. Metzdorf. When he is ready to come in he should call ahead of time so his badge can be ready, and if he does not have another telephone number, ask him to call my office and we will make the arrangements.

You have by no means overstepped any bounds in connection with asking for a letter about the papers, and I appreciate your helpful suggestions. I am enclosing a draft of a letter, which at least in draft I am addressing to Mr. Pierce as executor of the estate. If you do not like this or anything else about the letter, feel free to send me any changes.

Sincerely,
